Attention Contributors and Authors:

Submission of news and information on near-surface geophysical technology, the industry and professional community is encouraged. Please email your contribution, letter to the editor, or technical article as a text file or WORD DOC file to the editor of ***FastTIMES***. Accompanying figures must be supplied as separate JPG, TIF, or EPS files at a full size resolution of 300 dpi. Only electronic submissions will be accepted.

Attention Advertisers:

Advertisements must be submitted at full size resolution of 300 dpi as a TIF, JPG, EPS, or PDF file. Please email file to the *FastTIMES* staff along with a fully completed Display Insertion Order Form. Editor name, staff e-mail address, the Insertion Form and Advertising Rate Schedule are available for download from www.eegs.org/fasttimes.
