***DID YOU MISS REGISTERING FOR A CONFERENCE?******NO PROBLEM!***

**NOTE:** Due to the fact that many conferences are Virtual and the presentations are recorded, it may be possible with many Conferences to register to affordably access the Conference presentation recordings for a limited time after the Conference Event.

Check the Conference websites listed in this Calendar of Events to see if this facility is available for a particular Conference.

Virtual Conferencing and Webinars bring a world of current awareness to your desktop at the time and pace that suits your timetable and opens up access to Conferences you would not have been able to attend otherwise.

An opportunity to learn more about the wider world of geoscience and geo-engineering
