## **EEGS Members: Your Foundation Needs Your Involvement!**

The EEGS Foundation exists to support your profession. Your active involvement promotes the use of near surface geophysics and prepares the next generation of talent.

- 2025 scholarship applications are being accepted (our 4th year).
  - Have you noticed that it is getting harder to fill staff positions in our industry?
  - Have you supported the EEGS Scholarship Fund?
  - Please consider both personal and corporate donations to this cause!
  - Make your donations here: [www.eegsfoundation.org/donations](http://www.eegsfoundation.org/donations)
- Donate used equipment to support the Foundation's programs.
  - Working instruments in good condition could be useful to others.
  - "Museum pieces" to grow a collection.
  - The Foundation sells used equipment, and you receive the tax benefits of your donation to the Foundation (a 501-c3 charitable firm).
  - Contribute here: [www.eegsfoundation.org/silent-auction](http://www.eegsfoundation.org/silent-auction)
- Consider a generous personal or corporate financial contribution to the Foundation.
  - Such contributions have declined in recent years.
  - Your support removes financial barriers to education.
  - Donate to the student fund here: [www.eegsfoundation.org/donations](http://www.eegsfoundation.org/donations)
- Purchase Foundation-auctioned items. Stay tuned for details!
- Please encourage students to apply for an EEGS Foundation scholarship.
  - Apply here: <https://www.eegsfoundation.org/student-scholarships>
- Donate an item for auction at SAGEEP2025. Contact Doug Laymon at [doug@colliergeophysics.com](mailto:doug@colliergeophysics.com) or call him at 512 994-6994.
