

FORENSIC GEOPHYSICS FIELD EXPERIENCE

June 5-6, 2025
PCPG Field Trip

Forensic Geophysics
Field Experience

Best Western Plus Dutch Haus
Inn & Suites, Columbiana, OH

This event will provide a unique hands-on experience with a variety of geophysical devices and data processing software in a friendly, low stress, learning environment. Those who should consider attending this field experience include:

**Forensic Scientists • Law Enforcement Officers • Geologists
Engineers • Environmental Scientists**

Thomas E. (Tom) Jordan, PhD, PG (Researcher and Part-Time Faculty Youngstown State University) and Jeffrey C. (Jeff) Dick, PhD (Emeritus Professor of Applied Geology, Youngstown State University) will host the 1.5 day short course providing attendees with hands-on experiences regarding the setup, data collection, data processing work flows, and interpretation methods for geophysical devices commonly used by forensic scientists to detect clandestine graves and other near surface items that may be of interest to law enforcement officers and others.

Thursday, June 5

we will on-board at:

Best Western Plus Dutch Haus Inn & Suites

150 E State Route 14

Columbiana, OH and return by 5:00 PM ET

Friday, June 6 is a classroom day. A laptop with [Surfer](#) Windows freeware pre-installed will be required. The laptop must be able to access the external web app [GPRInsights](#) cloud-based software application. **Please read the full technology requirements [here](#).** If your employer has a prohibition on external applications, your personal computer can be used. Day 2 concludes at noon, with lunch on your own.

Cost: PCPG Members \$379 • Non-Members \$479
